Although it is not required, we would appreciate it if you could also give us a call (800-354-2453) or email (info@bikesparta.com) us so we know to expect your completed paper registration and payment in the mail.

Please keep a copy of your registration forms for your records. It will be your responsibility to inform us of any changes in registration information after your initial registration. We will make all reasonable attempts to accommodate your request but cannot guarantee we will be able to do so. This also strongly depends on when you place your request.

You will receive a confirmation phone call or e-mail and additional, more specific tour information later. We may also contact you for additional information or specific volunteer opportunities, particularly if you will park your car in one of the stopping towns or you indicated that you will have a non-riding friend or family member joining you during the tour. If we do not have much experience with your specific GPS unit we may also contact you to see how well our route dataset files work with it. Shortly after registration closes we will announce whether we will either paint road markings and put up orange flags over the route or provide an individual GPS unit to all participants who will not be riding with one.

Please continue to check for updates on willtoben.com for the most current tour information.

Thank you for your purchase, we look forward to seeing you on the tour!
